NV Gateway

VARIETY	Non varietal
REGION	South East Australian
ALCOHOL	11.5%
pH	3.0
TOTAL ACIDITY	7.2 g/L
RESIDUAL SUGAR	13.5 g/L
WINEMAKING NOTES	Tank fermented
TIME ON LEES	N/A
APPEARANCE	Crystal clear with a lively effervescence Pale straw with a fresh green gold hue.
BOUQUET	This wine is fruit driven and this is apparent in the fresh vinous fruit character of the aroma.
PALATE	The palate is also fruit dominated with a slight toasted yeastiness in the mid palate. A full palate makes for a soft and fruity wine which still finishes with a crisp natural acid finish.
FOOD SUGGESTIONS	A great everyday wine which will match a variety of foods. Choose your favourite.
